- 4. A second request for an extended period to respond was received from the applicant's solicitor on 5 March 2024. By email dated 7 March 2024, the tribunal again agreed to grant a further extension of the time required to provide the further information which had originally been requested on 12 December 2023.
- 5. The terms of that extension included the following...

"With reference to your request for an extension to provide the documentation necessary to support your Application, a further extension will be allowed until 28 March 2024. If the information cannot be provided by that date, it is likely that the Application will be rejected."

6. No response has been received to that email.

### **DECISION**

7. The circumstances in which an application is to be rejected are governed by Rule 8 of the Chamber Procedural Rules. That Rule provides:-

"Rejection of application

8.—(1) The Chamber President or another member of the First-tier Tribunal under the

delegated powers of the Chamber President, must reject an application if -

- (a) they consider that the application is frivolous or vexatious;
- (b) the dispute to which the application relates has been resolved;

- (c) they have good reason to believe that it would not be appropriate to accept the application;
- (d) they consider that the application is being made for a purpose other than a purpose specified in the application; or
- (e) the applicant has previously made an identical or substantially similar application and in the opinion of the Chamber President or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, there has been no significant change in any material considerations since the identical or substantially similar application was determined.
- (2) Where the Chamber President, or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, makes a decision under paragraph (1) to reject an application the First-tier Tribunal must notify the applicant and the notification must state the reason for the decision."
- 8. After consideration of the application, the further information referred to and correspondence from the Applicant, the Legal Member considers that the application should be rejected on the basis that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.

### **REASONS FOR DECISION**

- 9. Two requests were made for further information from the Applicant. This additional information requested was necessary to allow the application to proceed. The applicant was informed that the additional information was essential to allow further progress of the application and was warned that failure to respond may lead to the application being rejected. Two extensions were allowed to enable the information to be provided. A period in excess of four months has now elapsed since the initial request was made.
- 10. In the absence of any substantive response by the Applicant, it would not be appropriate to accept the application and accordingly it is rejected.
