Section 22(1) or Section 22(1A) of the Housing (Scotland) Act 2006

This application form should be completed if you wish the Housing and Property Chamber to consider whether a landlord has failed in his duty under section 14(1) to meet the Repairing Standard. Fill in this form in black ink, BLOCK CAPITALS and by ticking any boxes that apply. **Before making your application you must notify the landlord or landlord's agents of all the work required to be done.** Remember that the landlord will be sent a copy of this form.

When we initially receive your application, and before the President decides if it is a valid application, we will send you a reference number which you should quote whenever you contact us.

If any information you give in this form changes, you must immediately give us written details of the change. We aim to treat you politely and with care. In return we expect you to be polite to our staff.

The First-tier Tribunal has the power to award expenses against a party where that party through unreasonable behaviour in the conduct of the case has put any other party to unnecessary or unreasonable expense. Exercise of this power is not linked to the outcome of the case.

There is guidance on our website relating to completing the application form and the procedures of the Chamber. We recommend that you read this guidance before completing this application form. The guidance should assist you in making your application, completing this form and with understanding the procedure relating to your application and the types of complaints the Chamber can deal with. If you require these guides in hard copy, then please contact us.
