DECISION

6. The circumstances in which an application is to be rejected are governed by Rule 8 of the Chamber Procedural Rules. That Rule provides:-

"Rejection of application

8. —(1) The Chamber President or another member of the First-tier Tribunal under the

delegated powers of the Chamber President, must reject an application if –

- (a) they consider that the application is frivolous or vexatious;*
- (b) the dispute to which the application relates has been resolved;*
- (c) they have good reason to believe that it would not be appropriate to accept the application;*
- (d) they consider that the application is being made for a purpose other than a purpose specified in the application; or*
- (e) the applicant has previously made an identical or substantially similar application and in the opinion of the Chamber President or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, there has been no significant change in any material considerations since the identical or substantially similar application was determined.*

(2) Where the Chamber President, or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, makes a decision under paragraph (1) to reject an application the First-tier Tribunal must notify the applicant and the notification must state the reason for the decision."

7. After consideration of the application, the further information referred to and correspondence from the Applicant, the Legal Member considers that the application should be rejected on the basis that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.

REASONS FOR DECISION

8. Despite having requested an extension the Applicant has not provided the information, nor has she sought a further extension. The application cannot proceed without the information requested.
9. In the absence of any response by the Applicant, it would not be appropriate to accept the application and accordingly it is rejected.
