**Notice in terms of Section 28A(5) of a Decision to Assist the Landlord under
Section 28A(3) of the Housing (Scotland) Act 2006 ("The Act")**

Ref FTS/HPC/RE/25/1969

**HOUSE AT 10B (ground floor) Jessiman Square, Renfrew, Renfrewshire, PA4
8EB**

TENANT Miss Wendy McEachan

**LANDLORD Alan Wong, Marble Properties Ltd, 272 Bath Street, Glasgow, G2
4JR**

**PERSON THE LANDLORD INTENDS TO AUTHORISE TO ENTER THE HOUSE
Mr Stewart Burt, SolarEv Electrical Ltd, 221Clarkston Road, Glasgow, G44 3DS**

As the Member allocated to decide on the application made by the landlord for entry to the property detailed above, I have considered the application paperwork. This comprises documents received on/between 7 May 2025 and 18 November 2025. I have concluded that no further information is required before a decision in terms of Section 28A(3) of the Act can be made and have decided to assist the landlord in exercising their right of entry to the house.

The landlord is seeking entry for the purpose of:

carrying out any work necessary to comply with the duty in section 14(1)(b) of the Act

I am now seeking to arrange a suitable time for the landlord to exercise their right of entry under Section 181(4). A form is enclosed for all parties to supply suitable dates (with times if appropriate) to me, and it should be returned within 14 days beginning with the date of receipt of this notice.

If the tenant fails or refuses to respond within the period given above, or fails to agree a suitable date and time for the landlord to exercise their right of entry, then I may fix a date and time for the landlord to enter.

The tenant may, within the period given above, make representations in writing to the member as to why it is inappropriate or unnecessary for the landlord to exercise the

landlord's right of entry under section 181(4). The tenant will receive with this notice a form to complete for the purpose of supplying representations. If representations are made by the tenant I will consider these and advise both parties of my decision.
