Chamber Rules of Procedure 2017 ("the Procedural Rules")

in connection with

The Arches, Arch 11, 21 East Market Street, Edinburgh, EH8 8FS (Property)

1. The application was apparently made under Rule 43 of the Procedural Rules, being an application for determination of whether property factor has failed to comply with the Property Factors (Scotland) Act 2011. The application was accompanied by supporting documentation.
2. By way of emails dated 15 December 2025, 5 January 2026 and 13 February 2026, requests for further information was sent to the Applicant
3. The final request for further information was sent to the applicant by way of email dated 13 February 2026. This request also advised the applicant that "***if you fail to provide this information within the next two weeks the tribunal will have no option but to reject your application***". No response has been

received from the applicant

4. There have been no substantive responses to those requests which also advised that the application may be rejected should the information not be provided.

DECISION

5. The circumstances in which an application is to be rejected are governed by Rule 8 of the Chamber Procedural Rules. That Rule provides:-

"Rejection of application

8. —(1) The Chamber President or another member of the First-tier Tribunal under the

delegated powers of the Chamber President, must reject an application if –

- (a) they consider that the application is frivolous or vexatious;*
- (b) the dispute to which the application relates has been resolved;*
- (c) they have good reason to believe that it would not be appropriate to accept the application;*
- (d) they consider that the application is being made for a purpose other than a purpose specified in the application; or*
- (e) the applicant has previously made an identical or substantially similar application and in the opinion of the Chamber President or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, there has been no significant change in any material considerations since the identical or substantially similar application was determined.*

(2) Where the Chamber President, or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, makes a decision under paragraph (1) to reject an application the First-tier Tribunal must notify the applicant and the notification must state the reason for the decision."

6. After consideration of the application, the further information referred to and the correspondence from the Applicant, the Legal Member considers that the application should be rejected on the basis that it would not be appropriate to accept the application within the meaning of Rule 8 (1)(c) of the Procedural Rules.

REASONS FOR DECISION

Three requests were made for further information from the Applicant. This additional information requested was necessary to allow the application to proceed. The applicant was informed that the additional information was essential to allow further progress of the application and was warned that failure to respond may lead to the application being rejected. In the absence of any response by the Applicant, it would not be appropriate to accept the application and accordingly it is rejected
