The Tribunal made a further request for the information by e-mail dated 18<sup>th</sup> March 2019. The applicant has failed to respond to this request.

## DECISION

2. I considered the application in terms of Rule 8 of the Procedural Rules. That Rule provides:-

*"Rejection of application*

*8.—(1) The Chamber President or another member of the First-tier Tribunal under the delegated powers of the Chamber President, must reject an application if –*

*(a) they consider that the application is frivolous or vexatious;*

*(b) the dispute to which the application relates has been resolved;*

*(c) they have good reason to believe that it would not be appropriate to accept the application;*

*(d) they consider that the application is being made for a purpose other than a purpose specified in the application; or*

*(e) the applicant has previously made an identical or substantially similar application and in the opinion of the Chamber President or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, there has been no significant change in any material considerations since the identical or substantially similar application was determined.*

*(2) Where the Chamber President, or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, makes a decision under*

*paragraph (1) to reject an application the First-tier Tribunal must notify the applicant and the notification must state the reason for the decision."*

3. After consideration of the application, the attachments and correspondence from the applicant, I consider that the application should be rejected on the basis that I have good reason to believe that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.

### **REASONS FOR DECISION**

4. The Tribunal has requested further information from the applicant in order to consider whether or not the application must be rejected as frivolous within the meaning of Rule 8(1)(a) of the Procedural Rules. 'Frivolous' in the context of legal proceedings is defined by Lord Justice Bingham in *R v North West Suffolk (Mildenhall) Magistrates Court*, (1998) Env. L.R. 9. At page 16, he states:- "*What the expression means in this context is, in my view, that the court considers the application to be futile, misconceived, hopeless or academic*". It is that definition which I have to consider in this application in order to determine whether or not this application is frivolous, misconceived, and has no prospect of success.
5. The applicant has failed to respond to the Tribunal's request for further information, which information the Tribunal requires in order to determine whether or not the application is frivolous, misconceived, and has no prospect of success. I consider that the applicant's failure to respond to the Tribunal's request gives me good reason to believe that it would not be appropriate to accept the application in circumstances where the applicant is apparently unwilling or unable to respond to the Tribunal's enquiries in order to progress this application.
6. Accordingly, for this reason, this application must be rejected upon the basis that I

have good reason to believe that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.
