1. On 20 May 2021, an application was received from the applicant. The application was made under Rule 103 of the Procedural Rules, being an application for an order for under the tenancy deposit regulations.
2. By letter from the Tribunal dated 7 June 2021 the Tribunal requested further information namely: - confirmation as to when the tenancy ended.
3. On 15 June 2021 the applicant provide a copy of a letter showing the council tax liability for hew new property which liability commenced on 19 February 2021. As that date was more than 3 months before the application was lodged, the tribunal sought clarification as to the date when the tenancy ended. Further information letters were sent on 25 June and 26 July both 2021.
4. The applicant failed to provide any further information.

DECISION

5. I considered the application in terms of Rule 8 of the Procedural Rules. That Rule provides:-

"Rejection of application

8.-(1) The Chamber President or another member of the First-tier Tribunal under the delegated powers of the Chamber President, must reject an application if -

- (a) they consider that the application is frivolous or vexatious;
- (b) the dispute to which the application relates has been resolved;
- (c) they have good reason to believe that it would not be appropriate to accept the application;
- (d) they consider that the application is being made for a purpose other than a purpose specified in the application; or
- (e) the applicant has previously made an identical or substantially similar application and in the opinion of the Chamber President or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, there has been no significant change in any material considerations since the identical or substantially similar application was determined.

(2) Where the Chamber President, or another member of the First-tier Tribunal, under the delegated powers of the Chamber President, makes a decision under paragraph (1) to reject an application the First-tier Tribunal must notify the applicant and the notification must state the reason for the decision."

6. After consideration of the application, the attachments and correspondence from the applicant, I consider that the application should be rejected on the basis that I have good reason to believe that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.

REASONS FOR DECISION

7. The Tribunal has requested further information to support this application from the applicant. The applicant has not provided the information requested.
8. I consider that the applicant's failure to provide this information to support the application, as requested by the Tribunal, gives me good reason to believe that it would not be appropriate to accept the application in circumstances where the applicant is apparently unable to do so in order to progress this application.
9. Accordingly, for this reason, the application must be rejected upon the basis that I have good reason to believe that it would not be appropriate to accept the application within the meaning of Rule 8(1)(c) of the Procedural Rules.
