Rent Locally,

Hamilton, ML3 6DS

As the Member allocated to decide on the application made by the landlords for entry to the property detailed above, I have considered the application paperwork, comprising documents received between 04 August 2021 and 07 September 2021.

I have concluded that no further information is required before a decision in terms of Section 28A (3) of the Act can be made. I have decided to assist the landlords in exercising their right of entry to the house.

The landlords are seeking entry to the property for the purpose of:

- **viewing its state and condition for the purpose of determining whether the house meets the repairing standard.**

I am now seeking to arrange a suitable time for the landlords to exercise their right of entry under Section 181(4).

A form is enclosed for all parties to supply suitable dates (with times, if appropriate) to me. It should be returned within 14 days beginning with the date of receipt of this notice.

If the tenants fail, or refuse, to respond within the period given above, or fail to agree a suitable date and time for the landlords to exercise their right of entry, then I may fix a date and time for the landlords to enter.

The tenants may, within the period given above, make representations in writing to me as to why it is inappropriate or unnecessary for the landlords to exercise their right of entry under section 181(4).

The tenants will receive with this notice a form to complete for the purpose of supplying representations. If representations are made by the tenants, I will consider these and advise all parties of my decision.
