**LANDLORD’S

As the Member allocated to decide on the application made by the landlord for entry to the property detailed above, I have considered the application paperwork, comprising documents received between 01 November and 28 November 2019.

I have concluded that no further information is required before a decision in terms of Section 28A (3) of the Act can be made.

I have decided to assist the landlord in exercising her right of entry to the house.

The landlord is seeking entry to the property for the purpose of:

- **viewing its state and condition for the purpose of determining whether the house meets the repairing standard**

I am now seeking to arrange a suitable time for the landlord to exercise her right of entry under Section 181(4).

A form is enclosed for all parties to supply suitable dates (with times, if appropriate) to me. It should be returned within 14 days beginning with the date of receipt of this notice.

If the tenant fails, or refuses, to respond within the period given above, or fails to agree a suitable date and time for the landlord to exercise her right of entry, then I may fix a date and time for the landlord to enter.

The tenant may, within the period given above, make representations in writing to me as to why it is inappropriate or unnecessary for the landlord to exercise the landlord's right of entry under section 181(4). The tenant will receive with this notice a form to complete for the purpose of supplying representations. If representations are made by the tenant, I will consider these and advise all parties of my decision.
