I have reviewed the application received on 13 February 2020 and all information subsequently received and have made a decision to stop assisting the landlord, as I am entitled to do at any time under Section 28C(9) of the Act. This decision has been made for the following reason(s):

By email correspondence dated 23 October 2020 the landlord's representation informed the tribunal that "they now have the property back the tenant had left". As such assistance is no longer required.

In terms of Section 28A(8) of the Act this decision of the member is final.
