This document should be read in conjunction with the First-tier Tribunal’s Decision of 7 July 2021

### **Decision**

The Tribunal has decided that it should make a PFEO in the terms originally proposed by it.

The decision of the Tribunal is unanimous

### **Reasons for Decision**

In the Tribunal’s decision of 7 July 2021, it proposed to make a PFEO as follows:

- (1) The Factor must appoint a chartered surveyor to check on the work carried out to the roof and gutters at block 13-20 Wilderhaugh Court, Galashiels by Cleland roofing and completed in February 2021 and to prepare a written report and exhibit same to the Homeowners and the Tribunal within a period of 30 days from the date of the order. The cost of the survey and report to be met by the Factor from its own funds.
- (2) The Factor must send a written apology to the Homeowners within 30 days of the date of the order apologising for its breaches of the Code of Conduct and its failure to comply with its property factor’s duties.
- (3) The Factor must within 30 days of the date of the order make payment to the Homeowners from its own funds the sum of £1200.00.

The Tribunal indicated that prior to making a property factor enforcement order, it would provide the parties with a period of fourteen days within which to make representations under section 19(2)(b) of the Act.

The Tribunal's decision was intimated to the parties on 8 July 2021.

No responses to the proposed PFEO were received from either party.

The Tribunal confirms its decision made in terms of section 19(1)(a) of the Act. The Tribunal agreed that it would be appropriate to make a PFEO.
