Tribunal Members – George Clark (Legal Member/Chairman) and Andrew Murray (Ordinary Member)

This document should be read in conjunction with the Tribunal's Decision under Section 19(1)(a) of the Act of the same date.

The Tribunal proposes to make the following Property Factor Enforcement Order ("PFEО"):

"Within 4 weeks of the communication to the property factor of the PFEО, the property factor shall pay to the homeowner the sum of £50 by way of compensation for the inconvenience and distress caused by the property factor's failure to comply with Section 6.1 of the Code of Conduct for Property Factors."

Section 19 of the Act provides as follows:

“... (2) In any case where the Tribunal proposes to make a property factor enforcement order, they must before doing so...

(a) give notice of the proposal to the property factor, and

(b) allow the parties an opportunity to make representations to them.

(3) If the Tribunal are satisfied, after taking account of any representations made under subsection (2)(b), that the property factor has failed to carry out the property factor’s duties or, as the case may be, to comply with the section 14 duty, the Tribunal must make a property factor enforcement order...”

The intimation of the Tribunal’s Decision and this notice of proposal to make a PFEO to the parties should be taken as notice for the purposes of section 19(2) (a) of the Act and parties are hereby given notice that they should ensure that any written representations which they wish to make under section 19(2) (b) of the Act reach the First-tier Tribunal’s office by no later than 14 days after the date that the Decision and this notice is intimated to them. If no representations are received within that timescale, then the Tribunal is likely to proceed to make a property factor enforcement order (“PFEO”) without seeking further representations from the parties.

Failure to comply with a property factor enforcement order may have serious consequences and may constitute an offence.
