Re : Property at 44 Fittick Place, Cove, Aberdeen, AB12 3PJ (“the Property”)

and

Ms Elizabeth Yonetsugi, residing at 490-30 Matsudo Shinden, Matsudo City, Chiba Prefecture, Japan, 270-2241 (“the Landlord(s)”)

The Tribunal comprised:-

Mrs Ruth O’Hare - Chairperson

Mr Colin Hepburn - Surveyor member

Decision

The First-tier Tribunal for Scotland (Housing and Property Chamber) having made such enquiries as are fit for the purposes of determining whether the Landlord has complied with the Repairing Standard Enforcement Order (“RSEO”) relative to the Property determined that the Landlord had complied with the terms of the RSEO and resolved to issue a Certificate of Completion in respect of the works required by the RSEO.

Background

1. Reference is made to the determination of the Private Rented Housing Committee (“the Committee”) dated 23 November 2016 which determined that the Landlord had failed to comply with the duty imposed by section 14(1)(b) of the Act in that she had failed to ensure that the Property met the Repairing Standard. On the same date the Committee issued an RSEO in respect of the Property. The works required by the RSEO were:-

- (a) Carry out such works as are necessary to repair the harling and ensure it is in a reasonable state of repair.

The RSEO gave the Landlord six months to carry out the works.

2. By email dated 3 January 2017 the Landlord contacted the Tribunal to advise that the work required by the RSEO had been completed. The Tribunal therefore agreed to arrange a reinspection albeit the period of the RSEO had not yet expired.
3. On 17 January 2017 the Surveyor Member attended the property to carry out a re-inspection. Access was provided on behalf of the Landlord by Keith Fowler and Elizabeth Duff. The Surveyor Member noted that harling had been redone to a reasonable standard and therefore the works required by the RSEO had been completed. A copy of the re-inspection report dated 23 January 2017 is produced herewith and referred to for its terms.

Reasons for decision

4. The Tribunal having had regard to the findings from the re-inspection concluded that the RSEO had been complied with and it was therefore appropriate to grant a Certificate of Completion discharging the RSEO. The decision of the Tribunal was unanimous.

Right of Appeal

5. **A landlord, tenant or third party applicant aggrieved by the decision of the tribunal may appeal to the Upper Tribunal for Scotland on a point of law only. Before an appeal can be made to the Upper Tribunal, the party must first seek permission to appeal from the First-tier Tribunal. That party must seek permission to appeal within 30 days of the date the decision was sent to them.**

Where such an appeal is made, the effect of the decision and of any order is suspended until the appeal is abandoned or finally determined by the Upper Tribunal, and where the appeal is abandoned or finally determined by upholding the decision, the decision and any order will be treated as having effect from the day on which the appeal is abandoned or so determined.
