DECISION

The Private Rented Housing Committee ("the Committee"), having made such enquiries as is fit for the purposes of determining whether the Landlord has complied with the Repairing Standard Enforcement Order (hereinafter referred to as "the RSEO") in relation to the house concerned, and taking account of the details of a re-inspection report prepared following an inspection of the house by the surveyor member, the Committee considered that the Landlord had satisfactorily completed the works detailed in the RSEO and decided to issue a certificate of completion of works in terms of Section 60 of the Act.

Background

1. Reference is made to the Determination of the Committee dated 20 March 2015 which decided that the Landlord had failed to comply with the duty imposed by Section 14(1) (b) of the Act and to the RSEO made by the Committee of even date.
2. On 2 June 2015 the surveyor member carried out an inspection of the house to check that the works required in the RSEO had been completed. The surveyor member confirmed that all works required in terms of the RSEO appeared to have been completed to a satisfactory standard. A copy of his report is attached. The Committee considered the works specified in the RSEO have been satisfactorily completed and decided that it is appropriate to issue a Certificate of Completion in terms of Section 60 of the Act. The members of the Committee were unanimous in their decision.
